TREATMENTS & SERVICES

FALL 2022

MASTER TREATMENTS

System Recovery:

90 minutes - \$265 ea. • Series of 3 - \$230 ea.

Harnessing the age-old healing properties of castor oil, this full body wrap reduces abdominal discomfort, such as bloating and inflammation while effectively activating liver and bowel detox. The benefits encompass more than just the digestive tract; the treatment strengthens your immune and lymphatic systems. As you relax on a heated amethyst mat, a dry brushing and foot massage help to restore flow and balance your mood.

Magnesium Detox:

60 minutes - \$125

A remedy for the bundle of nerves within all of us, this wrap comprised of mineral magnesium and aloe paste is artfully applied, increasing trans-dermal absorption. An active service that imparts much needed remineralization, that encourages healthy bodily function and blood pressure, relieving and calming overactive nerves. An enlightening scalp and nurturing shoulder massage is performed with a warm hydrating lotion.

Colon Hydrotherapy:

45 minutes - \$95

Our colonic irrigates and exercises the colon as well as the intestinal tract by stimulating peristalsis, which is the breakdown and release of accumulated toxins and other waste including - bile, mucus, and debris that may be lodged in this important organ. Our colon hydrotherapists use a closed system to flush out the toxins. The treatment is painless and an important cornerstone of a productive cleanse.

Digestive Release:

20 minutes - \$45

Light abdominal pressure and manipulation to stimulate movement and release congestion, improving the release of your colonic while reducing bloating, gas, or cramps.

Nutritional Guidance:

60 minutes - \$185

You have the potential to rebuild your life. Our goal is to help you connect the work you've done here with a tailored at-home plan so you can experience the unbridled joy of healthy living. In this session, we examine your habits, history, and the role nutrition plays in your daily life. With that information, we can determine benchmarks, expectations, and strategies to reach optimal energy, digestion, and immune health.

Cell Rejuvenation:

45 minutes - \$135

Magnetism, oxygen, and light created life. Reunite the elements to create harmony on a cellular level in this advanced session. BEMER therapy uses pulsed electromagnetic waves to stimulate the muscles and increase blood circulation. ActiveAir modifies the structure of the air around you so you may obtain oxygen more efficiently and regulate your resting pulse. Red and near infra-red light over injuries or lesions improves wound and soft tissue healing, reduces inflammation and relieves both acute and chronic pain.

Series of 2 \$125 ea. • Series of 4 \$115 ea. • Series of 6 \$100 ea.

Endermology:

35 minutes - \$135

The technique of endermology is a non-surgical massage treatment which is highly effective at reducing cellulite and tightening the skin. Mechanized rollers are applied to the skin, which stimulate the body's circulation and help boost lymphatic drainage.

Series of 3 \$105 • Series of 5 \$100 • Series of 7 \$90

Raindrop Therapy:

75 minutes - \$140

Activate the power of botanical healing, combining nine therapeutic grade essential oils to eliminate viral and bacterial pathogens. The technique is meditative; oils are dropped in sequence along the spinal column then feathered out along neural pathways using the Tibetan Vita Flex technique.

Intramuscular Vitamin Therapy:

10 minutes - \$125

Intramuscular Vitamin Therapy works through the administration of vitamins and nutrients directly into the bloodstream via a shot by a certified practitioner. This delivery into the body bypasses the digestive system which provides increased cell absorption and 100% bioavailability of the vitamins.

Intravenous Vitamin Therapy:

60-90 minutes

Intravenous (IV) vitamin therapy administers vitamins and minerals directly into the bloodstream. All our vitamins are High Quality-Medical Grade solutions, and FDA approved. We work closely with your spa program to ensure optimum results:

THE MEYERS & MINI MEYERS COCKTAIL \$375 - \$475: Each of the vitamins and minerals contained in the Myers' cocktail are important in their own way. Magnesium and calcium aid in the normal functioning of nerves and muscles. The vitamin B complex aids in metabolism and conversion of food into energy. Vitamin C aids in the protection against cell damage.

HYDRATION \$260: This bag contains 1000ml of saline, combats issues related to dehydration, sickness, or extreme lifestyle. Extra fluid can be beneficial on the hottest days here in the desert, or simply before your departure.

RADIANCE \$475: Often called a "Skinny IV" this kick starts your metabolism by helping convert nutrients into energy and increasing red blood cell production.

Micro-Bubble Immersion

30 minutes - \$75

Enhance and accelerate your detox as you experience an all-natural and soothing micro-bubble soak in our beautiful garden setting. This warm soak is an all-natural 30-minute immersion in highly oxygenated water that improves the functioning of blood vessels and encourages the release of toxins. The negatively charged micro-bubbles penetrate the skin at the pore level attaching to the positively charged toxins and removing them. The skin then absorbs moisture and leaves it silky smooth and amazingly clean.

Series of 3 \$60 • Series of 5 \$50

Biofeedback Therapy:**90 minutes - \$250**

This advanced scan examines the whole body by measuring the frequencies of the cells, tissues, and organs. Received frequencies that indicate sick or unhealthy cells appear on a visual representation of your body. After the scan, your results are analyzed, discussed, and a treatment plan can be formed.

Private Yoga:**60 minutes - \$100 • 90 minutes - \$150**

A healthy yoga practice creates healthy joints, flexible, strong muscles and a balanced mind, body, and spirit. Your instructor creates custom yoga sequences and practices that are tailored to each individual's goals; whether it is to reduce pain, increase flexibility and strength, reduce stress, learn more about yogic philosophy, pranayama or yoga nidra. In the comfort of your guestroom, under the canopy of a hidden grove, or surrounded by the vast desert in the Yoga Shala.

Soft Release Therapy:**60 minutes - \$275**

Soft Release Therapy is a gentle approach to myofascial release, stretch therapy, and nervous system healing to address chronic pain, physical/emotional trauma, and overall harmony in your body, heart, and spirit. Receive blissful hands-on healing techniques that unblock your energy body while enhancing the mind's interactions with bodily function.

**For your comfort, loose fitting clothing is recommended*

MASSAGE

State of Wellness:

60 minutes - \$150 • 75 minutes - \$185 • 90 minutes - \$225

Your well-being is our utmost priority, this carefully designed practice provides an overall feeling of calm and relief from daily stressors. Aromatherapy is gently introduced to prepare the senses and unwind the mind imparting light-to-medium pressure, mindfully delivered with meditative intentional strokes.

Deep Tissue:

60 minutes - \$195 • 90 minutes - \$230

Cross fiber friction, strong, kneading heavy pressure and several other firm techniques work both the superficial muscles, connective tissues and those muscle fibers that lie far beneath the surface. This approach has been proven helpful for people who suffer with chronic pain or are physically active, because the session restores balance, range of motion and reestablishes structural integrity.

Thai Massage:

60 minutes - \$150 • 90 minutes - \$185

Improve flexibility and release muscular tension through the assisted stretching and acupressure techniques of traditional Thai Massage. This relaxing yet energizing bodywork therapy is performed over loose clothing to allow movement.

**Floor Thai available upon request, requires loose fitting clothing*

Lymphatic Stimulation:

60 minutes - \$110 • 90 minutes - \$150

A simple variation of the technique used to treat lymphedema, our method is highly delicate, with a light rhythmic touch which stimulates the vessels under the skin and encourages lymphatic circulation and release. Profoundly relaxing, and recommended in sequence with Deep Tissue to optimize acidic drainage.

Crystal Craniosacral Massage:

45 minutes - \$125

The use of stones for healing and other various health practices have been around for as long as humanity has existed. We're combining the energetic properties of crystals with contemporary physiology to clear and balance your physical, spiritual, and emotional states. As you hold two quartz stones in your hands, your therapist uses a light touch to move the fascia and blood around your central nervous system. The therapist directs healing intent through the crystals to stimulate your body's energy systems.

Reflexology:

60 Minutes - \$160

This traditional massage therapy technique borrows from ancient medicine and has been practiced for centuries across the globe. The hands, feet and ears are the map to the body. Feet especially carry our entire weight with little to no daily maintenance. The reflex zones are linked to vital organs, circulatory and central nervous systems. Skillful, intentional pressure will be applied to these points, releasing tension, and causing discomfort to disappear. When we care for our hands & feet the entire body benefits.

Cupping:

Add to State of Wellness, Deep Tissue - \$50

The cupping method functions to stimulate and promote the free flow of qi and blood in the meridians. Using silicon cups, a partial vacuum is created, drawing underlying tissue unto the vessel. This kind of local congestion can drain excess fluid and toxins, loosen adhesions, lift connective tissue, and eliminate blood stagnation that may be causing pain from a deeper layer in the muscle.

CBD Oil:

Add to State of Wellness, Deep Tissue, Lymphatic Stimulation - \$50

Perfect for arthritis, sore athletes, and anxiety sufferers. Our organic formula incorporates active ingredients and potent CBD blended together to soothe, uplift, ease pain and support the respiratory system.

FACIAL TREATMENTS

Superfood Facial

60 minutes - \$140 • 90 minutes - \$175

The absolute purest alternative for nourishing the face, provides your skin with vital hydration to enhance your natural beauty with a nutritional boost packed with antioxidants for smoother, plump skin. Superfoods and the raw organic ingredients rejuvenate by penetrating deep into the cellular level to hypercharge radiance and skin wellness.

Palm Springs Peel:

30 minutes - \$125

The epitome of natural resurfacing and a one-of-a-kind peel, grown locally in the desert. Formulated with the trifecta of acids (Lactic, Malic and Citric) purging dull skins cells and revealing skin that defies aging. Clinically proven to refine texture, reduce sun damage and minimize wrinkles, the peel delivers results via increased circulation of oxygen enriched blood that surges to the surface skin tissue.

BODY TREATMENTS

We Care Euphoria:

120 minutes - \$295

An immersive experience combining practices and treatments from our 36-year history. Indulge in a full body lemongrass exfoliation before a hydrating mineral bath, pulling toxins out of the body. Then, a mineralizing mud body wrap is paired with a scalp massage. Finally, an aromatherapy massage leaves you euphoric!

The Body Silk:

90 minutes - \$230

The treatment starts with a body mask consisting of Rhassoul Clay and organic coconut milk. This ancient healing clay is full of metallic elements that carry a negative charge, drawing out toxins from below the sebum layer of skin. The treatment is finished with a 30-minute massage using CBD.

The Body Splash:

50 minutes - \$220

From an age-old Asian tradition that recognizes that a third of the body's toxins are eliminated through the skin, this full-body, warm water splash removes dead skin cells and opens pores with an exfoliating mitt so your skin can release toxic waste during your fast. Set in our tropical outdoor gazebos with scents of Desert Sage, this treatment also includes a shampoo and conditioning wash before a soothing vanilla lotion application.

The Body Bomb – Ginger or Lavender

90 minutes - \$230

Calendula flower and herbs gently permeate the full body, as a warm wrap embraces the body and a silky paste slough away impurities. Argan scalp oil is worked into the hair, producing soft, glistening, and shiny follicles. The **Ginger Bomb** awakens your senses and while alleviating inflammation. Restful and sleep-inducing, the **Lavender Bomb** coaxes the nervous system to let go of stress and unwind. Once you rinse, both treatments are finished with a relaxing 30-minute CBD massage.

Chocolate-Vanilla Firming Scrub:

60 minutes - \$140 • 90 minutes - \$175

Luxuriate in our most delicious treatment! Our chocolate scrub exfoliates your skin and provides anti-aging antioxidants with cellulite reducing properties. The rich oils found in cocoa beans are natural moisturizers that will smooth your skin. Our 90-min option includes a luxurious skin soak and extended lotion application.

Lemongrass Scrub:

90 minutes - \$175

Our most uplifting scrub, lemongrass is an incredible source of omegas and pure natural sea salt. This exfoliating, detoxifying and nourishing body scrub is formulated with rich African Shea, cocoa, and virgin coconut butters. These raw butters soften and leave the skin feeling hydrated, soft, and silky. Extra fine grain European Dead Sea Salts are used to create a gentle exfoliating polish that refines, smooths, and detoxifies the skin. This is a brisk Thai scrub – stimulating and exfoliating before a luxurious skin soak and lotion application.

Mayan Rejuvenation

90 minutes - \$230

This scrub was inspired by the Mayan Civilization and their use of bark from the Mimosa tree, called Tepezcohuite. The bark is used with coconut butter and geranium oil as an exfoliant to bring a lovely glow to the skin. Tepezcohuite is known for its therapeutic properties which can aid in collagen building, eczema, psoriasis, scar tissue, helps firm the skin. While wrapped, enjoy a warm coconut oil scalp massage.

Sugar Date Polish:

60 minutes - \$140

Originating from Egypt, the dates we use for this incredible antioxidant scrub are locally grown here the Coachella Valley. Acting like solar energy collectors, dates absorb the sun's energy and convert it into a complex matrix of polyphenols, antioxidants, vitamins, minerals, and nutrients that sustain the body inside and out. This scrub will help to alleviate dry, rough skin and impart a luxurious silky texture and vibrant glow.

Stay Grounded:

90 minutes - \$245

Fancy yourself a coffee aficionado? Drawn to the nutty roasted aroma and rich wheel of flavor? Try this delightful and indulgent dose of java, the grounding scrub begins with an application of warm coconut and grapefruit oil. Proprietary coffee is used to exfoliate the body, aiding in skin tightening, and cellulite breakdown. After the scrub, you are warmly wrapped which helps reduce any water retention. While wrapped your feet are exfoliated, the scalp is massaged with warm coconut oil, and your face is gently exfoliated.

Mineralizing Mud:

75 minutes - \$165

The healing power of Kaolin clay is a centuries-old tool for anyone looking to accelerate the detox and combat inflammation during their cleanse. This body wrap starts with dry brushing to exfoliate and open pores before Kaolin clay and minerals are brushed on, dried, and then removed leaving the skin with a fresh surface.
